

## Marsh Lakes Newsletter

March 27, 2026

Hello Everyone,

Just a quick update to let everyone know that the tennis court resurfacing project will begin next week, weather permitting. The total time required will again depend on weather but should be about two weeks or less. In addition to the surface, we are getting new net posts and a new net.

We are also getting pickle ball lines painted on both sides of the court, and are investing in two new pickle ball nets that should be more robust and long lasting than the current one.

When we are done the whole complex will add a great deal of value to the Community. I hope everyone has a chance to try it out.

As always, if you have any questions or concerns, feel free to bring them to me or any of the Board Members listed below.

Cheers!

Jeff Schlueter
